

Rainy Day News

A quarterly newsletter from Rainy Day Village
Spring 2024

We've come a long way, Rainy Day Village! Together, we did whatever it took to fulfill the RDV vision of providing creative new ways to supporting Aging in Place in our community.

Highlights from 2023 include:

24 members

39 volunteers, delivering

450 hours of services

54 rides (transport is the most requested service)

Other services included Errands & Delivers, Friendly Visits, Help-Around-The-House, Gardening and Pet Care.

We also attended informational get-togethers, we posted countless flyers to get the word out, we've driven and visited; we've emailed, zoomed and potlucked ourselves into becoming a caring, supportive community of neighbors helping neighbors.

A Letter from RDV Member Layla Kelly

Layla, a long-time North Coast resident, says that Rainy Day Village volunteers have helped her maintain independence by cheerfully providing transportation to grocery stores and medical appointments; assistance with paperwork; and setting up apps for ordering online.

"I'm very grateful for all of the help I've received. I am now living independently and meeting new people, thanks to Rainy Day Village."
